

SECTION 12. ADVANCE LIFTS INC. WARRANTY

Structural portion:

For a period of ten years or 3,000,000 from date of shipment from the Company's plant, the Company agrees to replace or repair, any defective parts, material or workmanship in the lift structure. This includes axles, bearings and cylinders, but not cylinder packings.

Power unit portion:

For a period of one year from date of shipment from the Company's plant, the Company agrees to replace or repair any defective parts. This shall include all electric and hydraulic components including cylinder packings.

Company authorization must be obtained prior to the commencement of any work. The Company reserves the right of choice between effecting repairs in the field or paying all freight charges and effecting the repairs at the Company's plant. The Company further reserves the right of final determination in all warranty considerations. Evidence of overloading, abuse, or field modification of units without Company approval shall void this warranty. No contingent liabilities will be accepted.

Damage incurred in transport is the responsibility of the carrier and is not covered by this warranty. Any damage detected upon receipt of equipment should be immediately reported to the carrier. If you need assistance filing your claim, please contact Advance Lifts.
