

MODEL CPC-2060 CAROUSEL & ORDER PICKING LIFT

10 Year/250,000 Cycle Warranty

The carousel and order picking lifts evolved from standard units to specialized units designed for order picking operations. Their chief features include handrail and gate configurations on three (3) sides and in some instances they have modified platform outlines. The units below are the most common configurations ordered, but custom layouts are not unusual.

ISO 9001:2015
Certified
