Model DP-636-5248 Standard Dumper

10 Year/250,000 Cycle Warranty

A 36" dump height is no problem for this industrial dumper because it is designed for smooth operation, with its 2 horsepower electric hydraulic power unit and convenient push button controls.

- Designed for a minimum size footprint.
- Adjustable retaining bar.
- All cylinders are machine grade single acting style.
- The controllers are assembled in our U.L. listed panel shop.
- All shafts, axles and pins are hard chrome plated.
- All bearings are lifetime lubricated.
- These units are fully primed and finished with baked enamel.
