

MODEL SD-18611 SUPER DUTY SCISSORS LIFT

2 Years Parts & Labor/10 Years Structural Warranty

The stability of this four ram Super Duty lift table is enhanced by a special anti-interflow hydraulic system that locks the lift in place when it's not moving and which prevents oil from transferring between rams. This unique feature decreases platform deflection under heavy rolling load applications. If you have to handle heavy containers or other rolling loads, these four ram Super Duty lift table are the answer.

**ISO 9001:2015
Certified**
